

2010-11 Enrollment

Please download the Schedule of Classes and New Student Enrollment form from the FBCWDance website. The completed form along with the \$25 registration fee and May 2011 tuition can be dropped off in the Wellness and Recreation Office. After your registration is processed you will receive an email confirmation.

Please note there is a section at the bottom of the form that requires your 1st, 2nd, and 3rd choice (where applicable) for classes. There is also a space on the enrollment form for one friend request. The enrollment form of the friend must also specify you as her friend request in order for the request to be granted.

The enrollment forms will be numbered in the order they are received and the classes will be filled in the same order. August tuition is due on the first lesson.

Blessings,
Tina and Elaine
